Why do Tanlac sales keep increasing every year, when other medicines seem to have a short-lived popularity and are then forgotten?

The answer is simple enough. The test of time has proven to people all over the American continent that Tanlac always produces most gratifying results and that the remarkable relief it brings seems to be more perturbed. It is what the people is the meaning alone. It is what the people is the meaning alone. It is what the people is the meaning alone. It is what the people is the meaning alone. By being persuaded to take a substitute for Vinol.

Your physician will tell you that there is no better strength creator or body builder known to medicine than the combination of tonics contained in Vinot, which are plainly printed on the label and contain among other things the curative elements of old fashioned Cod Liver Oil without oil)-Vegetable Iron-Beef Peptones-and Glycero-phosphates.

Therefore why will weak, nervous people, feable old people, mothers of delicate children, and convaloscents be fooled by the extravarant claims made for some medicines, when this standard remedy is guaranteed to restore strength and build you up or it costs you nothing, and you know what you are taking.

For many years Vinot has been sold in this city and you undoubtedly known many who have been benefited by its use. Surely you take no chances in trying Vinot because you know what you are taking and car get your money back if it falls to benefit you.
